FEES PAID

Must be paid to Burial Clerk at least two working days prior to burial.

The hours of interment will be between 10am and 3pm, Monday to Thursday and 10am and 2pm on Friday. No interment may normally take place at weekends or public holidays although Saturday interments may be permitted by the Parish Council under special circumstances.

NOTICE OF INTERMENT

No interment shall take place without the permission of the Parish Council. Written Notice of Interment must be given to the Burial Clerk at least two working days before the day of the burial. Only human remains shall be interred within the Cemetery.

EXCLUSIVE RIGHT OF BURIAL

The Exclusive Right of Burial will be retained by the Burial Authority only and will not be available for purchase.

BURTON UPON STATHER PARISH COUNCIL

No person may hold, at any one time, more than two unused graves.

COFFIN / SHROUD

Biodegradable coffins must be used for interment, or, if the body is to be enclosed in a shroud or winding sheet (the body is to be totally wrapped in this) it must be supported on a wooden board to provide rigidity for handling purposes. An unwrapped body must not be visible to members of the public.

GRAVE DEPTHS

The Local Authority Cemeteries Order Act 1977 states that a minimum of 3 feet of soil has to be between the top of the coffin interred and the ground level. Graves will only be dug to a single depth of approximately 5 feet.

LEVELLING GRAVES

After settlement, graves will be levelled to facilitate ease of maintenance.

REMOVAL OF REMAINS

No remains shall be removed without the appropriate Exhumation Order being obtained from the Ministry of Justice or other appropriate Statutory Authority.

INTERMENT OF CREMATED REMAINS

Cremated remains shall be interred in a biodegradable container considered suitable by the Parish Council.

A Certificate of Cremation for burial purposes is required in the case of cremated remains. If none is available, confirmation from the Cremation Authority must be obtained.

The interment of ashes on top of existing burials or interments will be allowed at the discretion of the Parish Council and, as such, must be recorded in the Parish Register.

FLORAL TRIBUTES

Floral tributes will be removed, and disposed of, by the Parish Council, or their nominated person, three weeks after the interment has taken place.

The placing on graves of glass shades, items of pottery, glass jars, tins, plastic, ornamental chippings, solar illumination, wire mesh fences or any other items of wood, metal, plastic or any other material is strictly forbidden. Any item placed in contravention of these Regulations will be removed and disposed of by the Parish Council without notice.

The Parish Council reserves the right to remove, without notice, any flowers, plants or wreaths that in its opinion become unsightly and to dispose of the same in such a manner as deemed fit.

PLANTING ON GRAVES

Only bulbs approved by the Parish Council may be planted.

MEMORIALS

Memorials of any type are not permitted and will be removed, and disposed of accordingly by order of the Parish Council.
