None

**b. To note dispensations given to any member of the council in respect of the agenda items listed below**

None

**20/92 North Lincolnshire Green Energy Park: to discuss the consultation including the consideration of writing to the Secretary of State and resolve any actions**

Cllr Craddock explained to the members that this scheme is classified as a Nationally Significant Infrastructure Project, so the developer has to apply to the Secretary of State for Business, Energy and Industrial Strategy for development consent rather than North Lincolnshire Council. The current consultation period was the first of six stages in the process. He had done some research on the company and was concerned that in the current circumstances the consultation could not be carried out properly, since a public meeting could not be held. It was proposed by Cllr Webber, seconded by Cllr Faulks and **RESOLVED** unanimously to write to the Secretary of State expressing the Parish Council's grave concerns on how the consultation was being carried out. Cllr Harber mentioned and it was agreed that this Council should write to the other neighbouring Parish Council's to inform them that it would be writing to the Secretary of State.

Cllr Craddock mentioned that this item would be on the next Full Council meeting agenda and that the Council should write a response to the consultation. Cllr Webber informed the Council that she had spoken with Cllr Marper and been informed that NLC had not been consulted on this application, but it had been submitted directly by the developer. It was proposed by Cllr Harber, seconded by Cllr Webber and **RESOLVED** unanimously that a group of Councillors would put together a response to the consultation which would be submitted to Council for resolution at the next Council meeting.

There being no further business the meeting was closed at 6.20pm. The next scheduled meeting will be held on Monday 8<sup>th</sup> June 2020. This will be held remotely via Zoom unless government restrictions have been lifted on public gatherings.
